d. Rho Gamma (PG) Partial Disaffiliation
   i. change from last year: PG’s may attend private chapter socials, programs, sisterhoods, etc. as long as no recruitment/chapter business is covered

e. Questions!
   i. How many Invitation Lists will each chapter make/when are they due?
      1. Each chapter will submit a list no later than 3 hours after the end of each of the 3 events. Chapter Event invitation lists will be due after the second Open House/Philanthropy Night. Chapters will be penalized with a fine of $1 for each minute the list is late.
   ii. Why won’t PNM’s be allowed to write only 1 house on their MRABA?
      1. PNM’s will be strongly encouraged to write down as many chapters as they feel comfortable joining & can see themselves a part of. Information found in Recruitment Booklets, as well as Rho Gamma advice, will clearly communicate that 1 house might be perfectly acceptable for some individuals.
   iii. Can PG’s socialize with affiliated women if all houses are equally present?
      1. No. It’s important for PNM’s to see the PG’s completely unbiased. i.e., seeing a ΚΑ Rho Gamma in close contact with an affiliated ΑΞΔ might have just as much impact as seeing the same Rho Gamma in close contact with another member of her own chapter.
