Old Business (same as last week…just to keep it fresh in our minds 😊)

1. Associate Membership
   a. Review of Requirements (see constitution)
   b. Questions/Concerns discussion
      1. Associate Membership can last 3 years – must work toward an NPC affiliation
i. Potential Associate Member dues are considerably cheaper than any of our chapters – they are and will continue to be made aware of potential cost increases

c. Pros
   i. interest group held accountable to our constitution, bylaws, code of ethics
   ii. follow our guidelines for recruitment
      1. not included in our 2008 formal recruitment
      2. Panhellenic Council will decide & vote on recruitment stipulations for Associate Member group to abide by
         a. one idea: they would have a 2-week window after formal recruitment in which to recruit BEFORE C.O.B. begins. this would not affect our formal recruitment or snap bidding processes!
         b. another idea: their recruitment can start with our C.O.B. process
      c. Delegates: please discuss & bring back ideas from your chapter!
   iii. shows strength in our community that each of our chapters is almost at total and there are still this many women out there looking for the same kind of sisterhood, values, support that we have!

d. Choosing to view this group of women as your own Panhellenic sisters is something simple, yet proactive, that can make this transition exciting and ultimately successful! Please keep this in mind as you communicate openly with your chapter and bring any & all ideas, suggestions, concerns, questions, etc to Panhellenic Council for discussion.
